Wild Flower Well Members,

Reading of the meters is on the 1<sup>st</sup> and 2<sup>nd</sup> of each month. In accordance with the Wild Flower Co-op bylaws, it is the members responsibility to keep this area clean. **Starting October 1, 2022** there will be an added charge if I am required to clean out meters or the brush around the area. The charge will be added to miscellaneous fees on water bill. I would like to thank all of the members that took the time to clean in and around their water meters. It is appreciated.

As a reminder, water bill payments must be **received by the 22nd of each month**. In accordance with the Wild Flower Water Co-op bylaws after the 22nd there will be a late charge fee added to the water bill. Starting November 1, 2022 if water bill is not paid by the due date a late charge will be posted to your bill under late charges.

Thanks in advance for your cooperation in these matters. If you have any questions feel free to call me or email me with questions or concerns.
